Golf Course!

We are thrilled to announce that the long-awaited opening day for the Ontario Golf Club is set for April 1st! Get ready to dust off your clubs, practice your swing, and join us for a fantastic day on the course.

As we prepare for the start of the season, our team has been hard at work ensuring that the course is in pristine condition for your enjoyment.

From manicured fairways to challenging greens, we are committed to providing you with an exceptional golfing experience.

Please mark your calendars and join us on April 1st as we kick off another unforgettable season at the Ontario Golf Club.

We can't wait to welcome you back to the course!

TRACKMAN

TRACKMAN

SIMULATOR

We're thrilled to share some exciting news with you! Ontario Golf Club is embarking on a transformational journey as we begin the renovation of our former ladies' locker room. This renovation will pave the way for the installation of two cutting-edge TrackMan simulators, setting a new standard for golfing experiences at our club.

TrackMan is renowned as the market leader and gold standard in golf technology. Trusted by over 1,000 Tour players, including 90 out of the Top 100 World Golf Ranking, as well as thousands of coaches, golf professionals, and leading universities worldwide, TrackMan's reputation precedes it. Notably, the PGA TOUR has selected TrackMan as their tracking and tracing provider, solidifying its status as a game-changer in golf technology.

Our TrackMan simulators will revolutionize the way you experience golf. Whether you're a seasoned pro looking to fine-tune your game with advanced analytics or a casual player seeking the thrill of virtual golf on hyper-realistic courses, our simulators cater to all skill levels and preferences. With unparalleled accuracy in club/ball impact and ball flight data, both indoors and outdoors, TrackMan ensures an immersive and precise golfing experience like no other.

We can't wait to unveil these state-of-the-art simulators and our virtual golf software, offering an unparalleled experience for our members. Stay tuned for updates as we progress with this exciting project.

GHIN INFORMATION

For those who require a GHIN handicap, we've made the process convenient and accessible. You can find the necessary information on our website or simply visit the pro shop to get started. Having a GHIN handicap not only enhances your golfing experience but also allows for fair and enjoyable competition among players.

We encourage everyone to take advantage of this opportunity and ensure they have their handicap ready before hitting the course. Let's make this season one to remember!

If you have any questions or need assistance with obtaining your GHIN handicap, feel free to reach out to Director of Golf, Scott Chambers, at schambers@ontariogolfclub.com

Here's to a fantastic season of golf ahead!
